

24" Semi-Automatic Tyre Changer

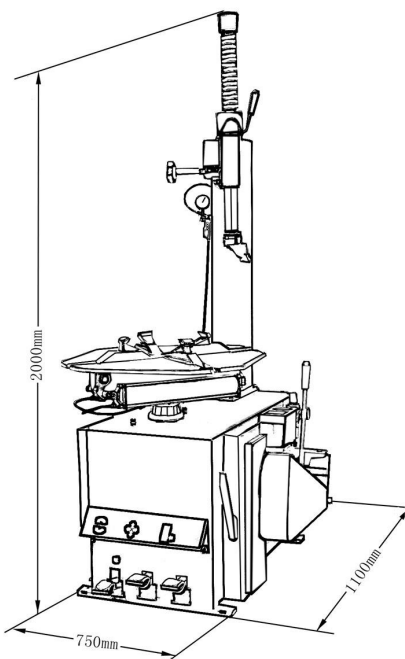

The Redback 202 is a semi-automatic tyre changer, capable of handling rim sizes up to 24 inches, allowing you to handle most passenger vehicles and many light commercial tyres with ease.

The option of motorcycle adapters and a pneumatically controlled roller assist arm, which aids in depressing the tyre sidewall, means there is little this tyre changer can't accomplish.

Included with the RB202 Tyre Changer:

- Operation manual
- Assist arm (optional extra)
- Pre-filter and oil lubricator
- 18" tyre lever
- Alloy wheel protection kit including
 - Plastic inserts for metal mounting head
 - Set of 4 clamping jaw covers
 - Plastic bead breaker cover
