

# U-200

## SEMI-AUTOMATIC TYRE CHANGER

Designed to be the ultimate entry-level solution, the Unite U-200 is a semi-automatic swing arm tyre changer perfect for low-to-mid volume garages, repair shops, and workshops. This machine combines a robust and reliable design with a straightforward, classic operating mode, making it incredibly simple to use. It's built with Unite's renowned experience to ensure solid performance you can depend on.

The U-200 is engineered to handle a wide range of vehicles, accommodating wheels with a rim from 12" to 24". It can manage tyres with a maximum diameter of 1000mm (39") and a maximum width of 355mm (14"). Experience the perfect balance of simplicity and dependable performance with the Unite U-200. It's the ideal choice for any shop looking for a solid and efficient tyre-changing solution.

**Assist arm available.**
