

U-2019

24" SEMI-AUTOMATIC TYRE CHANGER WITH TWIN ASSIST ARMS

The Unite U-2019 is a semi-automatic tyre changer, capable of handling run-flat tyres on rim sizes up to 24 inches. The addition of double assist arms makes this a clear contender in the field of entry level run-flat tyre changers. The space-saving swing arm design, with motorised turntable, pneumatically operated clamping jaws, twin assist arms and a powerful pneumatic bead breaker combine with innovative pneumatic locking for the vertical column and the right-hand assist arm for quicker operation. Perfect for workshops with limited space, it's also a great option for mobile tyre fitting operations.

Included with the U-2019 Tyre Changer:

- Operation manual
- Double assist arms
- Pre-filter and oil lubricator
- 18" tyre lever
- Alloy wheel protection kit including:
 - Plastic inserts for metal mounting head
 - Set of 4 clamping jaw covers

SPECIFICATIONS
